NOT EVEN IN MAP

I hope you enjoyed reading the tour description, I tried long to find the perfect design, but please don't judge so hard on me, English is not my native language, friends helped me proofreading. Same goes for the design, I am not professional designer either, just did it in a way I thought I would enjoy to read.

I added mostly my own photos which are mostly unedited. Due to the fact I havent taken photos everywhere, I used photos of friends as well, not downloaded ones.
