DAY 5

We will drive back towards Tbilisi with a stop in Signagi, a town in Georgia's easternmost region of Kakheti. We'll continue to Signagi, a town in Georgia's Easternmost region of Kakheti. Although it is one of Georgia's smallest towns, Signagi serves as a popular tourist destination due to its location at the heart of Georgia's wine-growing regions, as well as its picturesque landscapes, pastel houses and narrow, cobblestone streets. Located on a steep hill, Signagi overlooks the vast Alazani Valley, with the Caucasus Mountains visible at a distance. We'll have lunch in Signagi. We will then return to Tbilisi. Driving distance: 300 km maximum.

This tour is perfect from December until the end of April

SIGNAGI

I hope you enjoyed reading the tour description, I tried long to find the perfect design, but please don't judge so hard on me, English is not my native language, friends helped me proofreading. Same goes for the design, I am not professional designer either, just did it in a way I thought I would enjoy to read.

I added mostly my own photos which are mostly unedited. Due to the fact I havent taken photos everywhere, I used photos of friends as well, not downloaded ones.
